ABOUT US

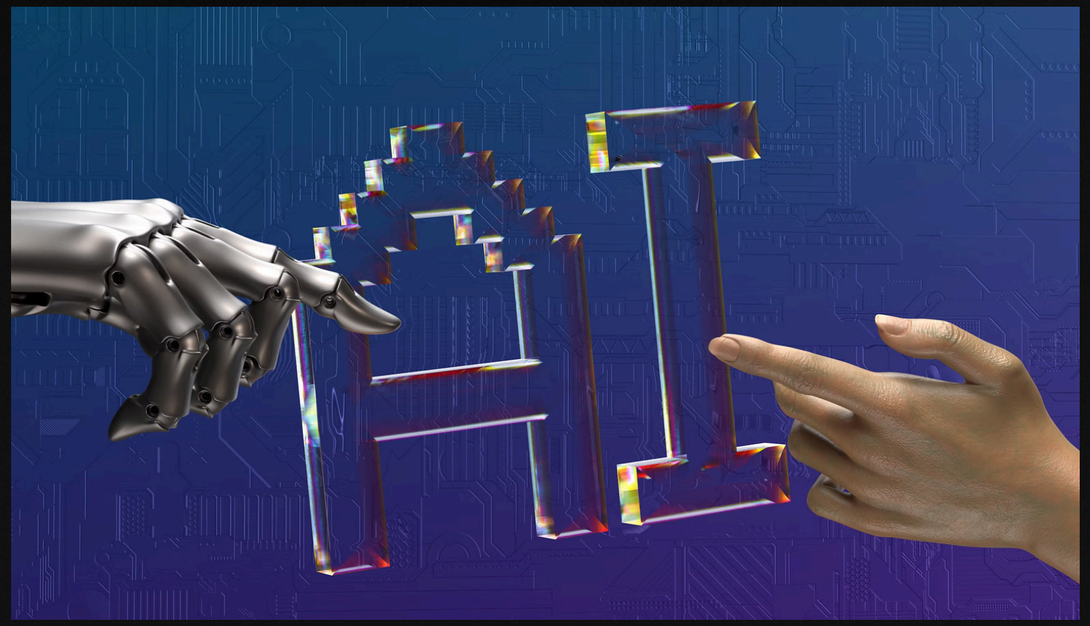

ABOUT PRFLIX

PRFlix is a next-generation AI video studio helping brands, startups, and agencies create premium promotional content — fast, affordable, and at scale.

WHAT WE DO

WE HELP BRANDS TELL THEIR STORY THROUGH AI-DRIVEN VIDEO

PRFlix transforms text, ideas, and brand assets into high-impact video content.

From promotional media to explainer videos and investor pitch narrations, we deliver premium visual storytelling — faster and more affordably than traditional production studios.

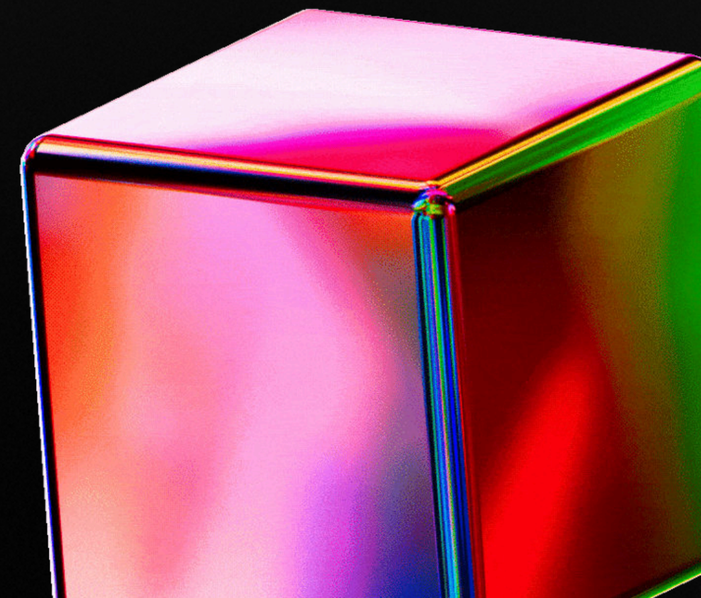

THE PROBLEM

VIDEO IS ESSENTIAL — BUT EXPENSIVE, SLOW, AND COMPLICATED

Businesses today struggle with:

- High production costs
- Slow turnaround times
- Lack of in-house creative teams
- Difficulty producing consistent content
- Complex editing tools and steep learning curves

Video remains the most powerful medium — but most businesses still can’t produce it at scale.

THE SOLUTION

AI-POWERED VIDEO PRODUCTION, SIMPLIFIED

PRFlix merges advanced AI tools with human-led storytelling to deliver:

- Promo videos
- Explainer videos
- Social media ads
- Pitch deck videos
- Founder stories
- Video press releases
- Short documentaries

Fast, affordable, and tailored to your brand — no technical skills required.
